QUESTION :

Are televised events more difficult or complicated
than National or Regional

????

LET'S THINK ABOUT THIS

What is the difference between televised events to
National or Regional events

Less Events

More Officials

Single Duties

They are a BREEZE

WORK AS A TEAM

- Normally the event Chief will hold a briefing to discuss protocol and a de-brief afterwards
- Appearance is important; take pride in your uniform. Shirts should always be tucked in
 - Walk out in order / chairs / clipboards
- If you are unsure about anything on the duty sheets talk to the chief or referees
 - Stick to your duty and let others stick to theirs
- Forget about the cameras, you won't see them anyway
 - Smile and enjoy your moment
